E-LANDSCAPE COMPLETES DESIGN-BUILD PROJECT AT JOHNSON TOWERS SENIOR LIVING COMMUNITY

Davidsonville, MD September 1, 2011 –

Davidsonville, Maryland-based commercial landscaping specialist E-Landscape Specialty Solutions announced today that it has completed work on a design-build project at the Johnson Towers Senior Living Community in Washington, DC.

Johnson Towers is an independent living community that includes housing for those who are 55 or older, home ownership in retirement communities, and senior apartment rentals. Johnson Towers provides safe and easy-maintenance living for seniors who can still live independently, and enjoy engaging in social activities with other seniors.

E-Landscape's scope of work included the construction of a modular retaining wall, installation of pavement walkways and patios, construction of a trellis structure, drainage, installation of site furnishings and plantings.

E-Landscape Specialty Solutions is a premier provider of commercial landscape design, installation and landcare services in the Mid-Atlantic region. For more information, see www.e-landscapellc.com.
