E-LANDSCAPE SELECTING FOR LANDSCAPING OF THE NEW HODSON HOUSE AT ST. JOHN'S COLLEGE

Davidsonville, MD October 3, 2012 –

Davidsonville, Maryland-based commercial landscaping firm E-Landscape Specialty Solutions has been selected to install the landscaping for the new Hodson House at St. John's College in Annapolis. Part of the school's 2010 Campus Master Plan, Hodson House will provide the school with a multi-purpose classroom and faculty and administrative offices.

E-Landscape's scope of work for the Hodson House project includes planting, drainage, topsoil, and the installation of pavers and sod.

"We're particularly excited to be working on the Hodson House project," commented E-Landscape President Eric Drenner. St. John's College is an important historic site and we are proud to play a part in beautifying it."

E-Landscape Specialty Solutions is a premier provider of commercial landscape design, installation and landcare services in the Mid-Atlantic region. For more information, see www.e-landscapellc.com.
