### **E-LANDSCAPE INSTALLS HARDSCAPING FOR CROWN FARM DEVELOPMENT IN GAITHERSBURG**

Davidsonville, MD December 16, 2013 –

Davidsonville, Maryland-based commercial landscaper E-Landscape Specialty Solutions announced that it has been selected to install hardscaping for Crown Farm, a new, 182-acre, multi-use, urban-inspired neighborhood located on about 88 acres of land between Sam Eig Highway and the future Decoverly Drive extension in Gaithersburg, Maryland. The community will include four distinct neighborhoods, six parks, shopping, restaurants, a grocery store, fitness club, swimming pool and clubhouse.

“Crown Farm is a significant new development for the City of Gaithersburg and we are excited to be a part of this important project,” commented E-Landscape President Eric Drenner. “The concrete and pavers we are installing are part of the finishing touches that will make a grand opening this spring possible, and I’m looking forward to seeing the ribbon cut and this project come to life.”

The historic England-Crown farmhouse (the original property on the grounds) is being preserved and will be sold as a private residence. The farm’s historic silos and corn crib will be preserved as features of City Park. Currently, construction is underway in Downtown Crown and Crown West. Crown East and Crown Central will be built in future phases. When the project is completed, a large village green will host community events from musical performances to farmers markets. Crown is expected to celebrate its grand opening in the spring of 2014.

Sunbrook Partners Inc., the master developer of Crown Farm, is working with JBG Rosenfeld Retail and Bozzuto to bring the project to life. E-Landscape’s scope of work includes the installation of site concrete, concrete retaining walls, and pavers. The grand opening of Crown Farm is set for Spring of 2014.

E-Landscape Specialty Solutions is a premier provider of commercial landscape design, installation and landcare services in the Mid-Atlantic region. For more information, see [www.e-landscapellc.com](http://www.e-landscapellc.com).
