E-Landscape Specialty Solutions recently participated in the development and landscaping design work of Bainbridge River Oaks in Woodbridge. Bainbridge River Oaks are luxury garden style apartments located between the Fort Belvoir and Quantico military bases.

The development is a venture between Starwood Capital Group Global and the Bainbridge Company. Cline Design of Raleigh, NC designed the Craftsman style buildings featuring exterior stone detailing.

E-Landscape Specialty Solutions provided decorative concrete landscaping, site furnishings, green fencing, and a putting green installation adding to the upscale environment of the River Oaks community.

River Oaks' offers luxury living and upscale amenities filling a need for high quality housing in the Fort Belvoir area.
