E-LANDSCAPE APPOINTS BEN BOYD TO ESTIMATING/DESIGN DEPARTMENT

Annapolis, MD April 26, 2011 –

E-Landscape Specialty Solutions is pleased to announce the appointment of Benjamin Boyd to the company's Estimating and Design Department. Ben is a recent graduate of the University of Florida with a degree in Landscape Architecture. His experience includes work as a Landscape Designer with Picasso Pavers, and a Landscape Architecture intern at the Genesis Group where he contributed to projects ranging from park design to urban re-envisioning.

In addition to his formal studies, Ben serves as Editor in Chief of Landscape Invocation, a website dedicated to Landscape Architecture.

"Ben is a great fit for the E-Landscape team," explained Eric Drenner, President of E-Landscape. "He not only has a strong background and education in landscape architecture, he is also well versed in the use of technology. This aligns perfectly with our corporate objective of employing technology to provide streamlined solutions across the design, installation and landcare spectrum for all of our commercial clients."

E-Landscape Specialty Solutions is a premier provider of commercial landscape design, installation and landcare services in the Mid-Atlantic region. For more information, see www.e-landscapellc.com.
