LANDSCAPE INSTALLATION FOR NEW ROYAL FARMS STORES TO BE CARRIED OUT BY E-LANDSCAPE

Davidsonville, MD February 2, 2013 –

Davidsonville, Maryland commercial landscape firm E-Landscape Specialty Solutions has been selected to provide landscape and lawn installation services for two new Royal Farms stores in Eldersburg and Bel Air, Maryland.

The Eldersburg Royal Farms fills the empty gap left by the demolished Korner Karry Out and Milt's Liquor Store, vacant for more than 10 years. The site plan includes a 5,125-square-foot building and 16 gas pumps and will bring 35 to 40 job openings to Eldersburg. The Bel Air location is at 2201 Jack Lane, at the intersection of MD Route 543 and U.S. Route 1. It is the chain's 12th location in Harford County.

"We're thrilled to be working with the Royal Farms company on these new Maryland locations," said E-Landscape President Eric Drenner. "With 150 stores in Maryland, Virginia, and Delaware, Royal Farms is a strong and growing presence in the same region on which E-Landscape is focused. We look forward to performing more work for Royal Farms in the future."

E-Landscape Specialty Solutions is a premier provider of commercial landscape design, installation and landcare services in the Mid-Atlantic region. For more information, see www.e-landscapellc.com.
